Notwithstanding any other provision of this Code of By-Laws, no member, Vice President, officer, employee or agent of this Corporation shall take any action or carry on any activity by or on behalf of the Corporation not permitted to be taken or carried on by an organization described in Section 501(c)(3) of the Internal Revenue Code of 1986, as amended, or any successor provision or provisions thereto.
ARTICLE 12

Amendments

Section 12.01. Power to Amend. The power to make, alter, amend, or repeal the Code of By-Laws is vested in the attending voting members, which power shall be exercised by affirmative vote of a majority of the members present at any meeting. The proposal shall be honored from any member and errors in the format of the proposal shall not be a sufficient cause for rejection; provided, however, that the proposed amendment shall be included in the notice of such meeting.

Section 12.02. Proposal. An amending proposal shall be submitted by the maker in written form to the Indiana Executive Board and its format shall in order be forwarded to the Chairperson of the Constitution and By-Laws committee to investigate.

The proposal shall include the following: (i) The name of the maker of the proposal; (ii) The intent of the proposal; (iii) The anticipated timeline when/where consideration is desired; (iv) The article(s), section(s), and paragraph(s) of the Constitution and/or By-Laws proposed to be amended; and (v) The proposed amending language. Such proposed changes shall be submitted no less than ninety (90) days prior to presenting proposed changes to the membership. An amending resolution which has been processed in accordance with this requirement shall be published and distributed to current members of the Corporation by physical or electronic means.

Section 12.03. Resolution to Amend. A resolution to amend the constitution and/or By-Laws of the Corporation shall be based upon the required amending proposal, and it shall be so devised and drafted by the constitution and By-Laws committee. A copy of the draft resolution shall be provided to the maker prior to consideration for his/her concurrence. Participation by the committee in these matters shall not be construed to imply his/her support of the measures considered therein. Amendments to the By-Laws must be approved by the NENA National’s Bylaw Committee before the By-Laws will be adopted.

Section 12.04. Effective Date. Resolutions passed and adopted by the Indiana Executive Board as voted by the membership in accord with such provisions shall be in force and effective upon the adjournment of the membership meeting where proposed changes
were considered and adopted, provided an exception to this effect is not otherwise contained in the language of the resolution adopted.

**ARTICLE 13**

**Parliamentary Procedure**

Upon any question coming before this Corporation not otherwise specifically provided for in the Articles of Incorporation or By-Laws, the presiding officer shall be governed to the extent practicable by Roberts Rules of Order.

**Grants and Contributions**

**Section 14.01. Application for Funds.** The President of the Corporation or any member designated by him/her may make application to philanthropic organizations, corporations, agencies, groups, or persons for grants or contributions of funds or property for carrying out general or specific purposes of the Corporation. No application shall be made to, or contribution received from, any person or agency except after a determination by the Indiana Board that a grant or contribution to the Corporation would be motivated by the desire to further the purposes of the Corporation and not to derive personal benefit or privilege to the donor.

**Section 14.02. Acceptance of Grant or Contribution.** Any member who may be offered a grant, or contribution, or contract for the Corporation shall immediately notify the President and no grant or contribution shall be finally accepted by the Corporation except upon approval of the Indiana Board. The terms of any such grant or contribution shall be set forth in writing and signed on behalf of the Corporation and the donor.

**Section 14.03. Administration of Funds.** Any grant or contribution of the Corporation shall be credited to its general fund unless, under the terms thereof, a special fund of such grant or contribution shall follow the procedure defined for general funds of the Corporation, unless provided for otherwise in the terms of the grant or contribution and agreed upon by the Indiana Board.
